Social Policy

A. Nondiscriminatory Policy and Practices

1. There shall be no discrimination of any form against employees on the basis of their Hepatitis B status consistent with the international agreements on non-discrimination ratified by the Philippines (ILO C111). Employees shall not be discriminated against, from pre to post employment, including hiring, promotion, or assignment because of their hepatitis B status.
2. Workplace management of sick employees shall not differ from that of any other illness. Persons with Hepatitis B related illnesses may work for as long as they are medically fit to work.

B. Confidentiality

Job applicants and employees shall not be compelled to disclose their Hepatitis B status and other related medical information. Co-employees shall not be obliged to reveal any personal information about their fellow employees. Access to personal data relating to employee's Hepatitis B status shall be bound by the rules on confidentiality and shall be strictly limited to medical personnel or if legally required.

C. Work-Accommodation and Arrangement

1. The company shall take measures to reasonably accommodate employees who are Hepatitis B positive or with Hepatitis B - related illnesses.

	Department: Human Resource	Effective Date: January 22, 2020	Revision No 1

2. Through agreements made between management and employees' representative, measures to support employees with Hepatitis B are encouraged to work through flexible leave arrangements, rescheduling of working time and arrangement for return to work.

D. Screening, Diagnosis, Treatment and Referral to Health Care Services

1. The company shall establish a referral system and provide access to diagnostic and treatment services for its employees for appropriate medical evaluation/ monitoring and management.
2. Adherence to the guidelines for healthcare providers on the evaluation of Hepatitis B positive employees is highly encouraged.
3. Screening for Hepatitis B as a prerequisite to employment shall not be mandatory.

E. Compensation

The company shall provide access to Social Security System and Employees Compensation benefits under PD 626 to an employee contracted with Hepatitis B infection in the performance of his duty.

Responsibility

A. Employer's Responsibilities

1. Management, together with employees' organizations, company focal personnel for human resources, and safety and health personnel shall

develop, implement, monitor and evaluate the workplace policy and program on Hepatitis B.

2. The SHE Committee shall ensure that their company policy and program is adequately funded and made known to all employees.
3. The Human Resources Department shall ensure that their policy and program adhere to existing legislations and guidelines, including provisions on leaves, benefits and insurance.
4. Management shall provide information, education and training on Hepatitis B for its workforce consistent with the standardized basic information package developed by the Hepatitis B TWG; if not available within the establishment, then provide access to information.
5. The company shall ensure non-discriminatory practices in the workplace.
6. The management together with the company focal personnel for human resources and safety and health shall provide appropriate personal protective equipment to prevent Hepatitis B exposure, especially for employees exposed to potentially contaminated blood or body fluid.
7. The SHE Committee, together with the employees' organizations shall jointly review the policy and program for effectiveness and continue to improve these by networking with government and organizations promoting Hepatitis B prevention.
8. The company shall ensure confidentiality of the health status of its employees, including those with Hepatitis B.

9. The human resources shall ensure that access to medical records is limited to authorized personnel.

B. Employees Responsibilities

1. The employees' organization is required to undertake an active role in educating and training their members on Hepatitis B prevention and control. The IEC program must also aim at promoting and practicing a healthy lifestyle with emphasis on avoiding high risk behavior and other risk factors that expose employees to increased risk of Hepatitis B infection, consistent with the standardized basic information package developed by the Hepatitis B TWG.
2. Employees shall practice non-discriminatory acts against co-employees on the ground of Hepatitis B status.
3. Employees and their organizations shall not have access to personnel data relating to an employee's Hepatitis B status. The rules of confidentiality shall apply in carrying out union and organization functions.
4. Employees shall comply with the universal precaution and the preventive measures.
5. Employees with Hepatitis B may inform the health care provider or the company physician on their Hepatitis B status, that is, if their work activities may increase the risk of Hepatitis B infection and transmission or put the Hepatitis B positive at risk for aggravation.
